Sir,

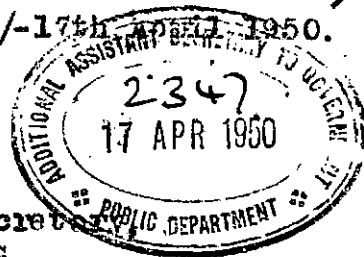

I am a refugee with H.S.No.440 and according to G.O.No.7503, of 20-12-49, I have been allotted to Bellary with a loan of Rs.1560/- for doing Provision store business. I am an uneducated Refugee and I have two major sons and as such Provision store business will not ~~help~~ help me.

I request that with the same loan amount, I may be permitted to do Military Restaurant business, where all the family members will work. Till now I am not given a shop and therefore, I request that ~~that~~ orders may kindly be passed on this my application for change of business for Military Hotel from Provision store with this same loan amount, so that I may become a respectable citizen of Bellary and thus stand on my own legs. Thanking you,

Yours faithfully,

Sir,

Sub;- Displaced persons from Pakistan - Rehabilitation in Madras
Province - Allotment to Bellary town- Sri. Gobindram Mangalamal
change of business - Report submitted -

Ref;- Government Public (Elec) Department Endorsement No.2347/50-1
dated 25-4-50

Sri. Gobindram Mangalamal(H.S.No.440) a displaced person
from Pakistan allotted to this district, originally opted for a provision
store. A business loan of Rs.1560/- was sanctioned to him in Government
Memo No.7503/49-2 dated 20-12-49 and an amount of Rs.1000/- has been paid
towards the loan already. He has not started the business so far but wants
to run a restaurant wherein he says all the members of his family could work.
The refugee feels that his illiteracy will stand in the way of his running a
Provision store and therefore desires to run a restaurant with the amount of
loan already sanctioned to him. As the request of the refugee is reasonable
I recommend that he may be permitted to change his business to that of a
running a restaurant. This will enable the members of his family to prove
useful to him in his business.

2. The history sheet of the refugee is enclosed for perusal and
return.

It is seen from the H.S. of Sri Gopinathan Mangalmal that the petitioner was a mason for about 30 years. The petitioner's son Bashomal was running a provision store in Pakistan for 3 to 5 years. Sri Bashomal wanted the same business to be allotted to him here and the pet., his father, ^{offered to} ~~help~~ ^{assist} him in the business. ~~It was on this consideration that~~ ^{provision store} was accordingly ^{not} allotted to the family. Further, it is ~~also~~ ^{not} considered ~~desirable~~ ^{desirable} to permit a change to restaurant business in view of the unsatisfactory position of rice in the State.

Read: Petition dated 17--4--50 from Sri Gobindram Mangalmal, Issued Endorsement No. 2347/50-1, 1254-50.
From the Collector of Bellary No. R.C. 9991/49-B.9 dated 10--5--1950
Memorandum No. 2347/50-2, dated 18--5--50
From the Collector of Bellary No. Rc. 9991/49-B-9 dated 22--5--50

Sri Gobindram Mangalmal, a displaced person from Pakistan, was allotted to Bellary ^(here for rehabilitation) with a business loan of Rs. 1,560/- for a provision store. In his petition at p.l. c.f. he ^{has for a} asked change of business to restaurant. The Collector's remarks are at p.3 c.f. He has suggested that the change may be permitted. Obviously, the Collector does not seem to have borne in mind the instructions issued in Memorandum No. 930/50-1, Public (Elections), dated 17. 2. 1950, while scrutinising this case.

2/ It has been laid down in the above Memorandum (in supersession of the previous orders) that cases for change of centre ~~and~~ ^{and} business ~~and~~ ^{and} increase of loan should be strictly examined by the Collectors and only ~~such~~ ^{these} cases where there are very special grounds justifying the change should be forwarded to Government for orders. There does not seem to be any special reason in this case justifying the change. ^{Further} Secondly, it will be seen from his H.S. that the petitioner was a mason for about 30 years. The petitioner's son Bashomal was running a provision store in Pakistan for 3 to 5 years. Bashomal wanted the same business to be allotted to him here and the petitioner, his father, said that he would help him in the business. Provision ~~xxx~~ store was accordingly allotted to the family.

3/ One other important point for consideration is whether it will be advisable to permit a change to restaurant business in view of the unsatisfactory position of rice in the State. In another file the Food Secretary took strong objection to the supply of rice or broken rice quotas to newly opened hotels, and

2/ this department took the view that at least an exception should be made in the case of ^{refugees} ~~those~~ who have already been allotted restaurant business, for the reason that restaurants in these parts ~~will~~ would not thrive without rice preparations and the ^{you are interested in the recovery of the} ~~loan~~ advanced to the refugees, ~~had to be recovered~~. This is a new case where the refugee has had no previous experience in restaurant business.

In the circumstances it is for orders whether the request will be rejected.
